Join our family .... Volunteer!

We depend on volunteers in all aspects of operations at Heckrodt Wetland Reserve. We don't require a minimum time commitment, but we do need to know when you'll be coming. Volunteer repeatedly, or volunteer once in a while—you're time is always appreciated!

Students age 14 and older are welcome to volunteer on their own. Younger children are welcome, but must be accompanied by an adult partner. We encourage families to volunteer together.

Here are just some of the jobs our volunteers do:

- Aquarium Care
- Gardening
- Grounds Maintenance
- Painting
- Education Assistant
- Special project assistance
- Administrative support
- Craft material preparation
- Nature Center Docent
- Trail Docent
- Many, many other jobs.

If you have questions about volunteering, please give us a call today. We'll be happy to give you a tour and tell you what we do.
