

All programs **require pre-registration and prepayment**. Fee for each program is \$8/scout, unless otherwise noted. Siblings over age 6 may attend for \$8/child, but they must be registered in advance. These programs are not appropriate for children under age 6, and they should not attend. There are no refunds for cancellations, however substitutes are permitted.

A note about fees: Please be aware that the \$8 fee you pay for the clinic does not cover the true cost of the clinic. We have made a commitment to provide significant value for the benefit received.

Scouts must be accompanied by leaders and/or parent chaperones. There is no charge for these adults. Adult:scout ratios required by the BSA are required for all clinics. Tiger Cub programs include scout plus adult partner, as outlined by the BSA. Maximum total attendance numbers for each program are established by each facility based on the space available. These numbers vary with each site.

Note: Sites have limited space. Only adults assisting scouts with the clinic should attend.

Most nature center programs include an outdoor segment. Scouts should arrive dressed for the weather and ready to participate in fun, hands-on learning. Programs involve a combination of learn-at-your-pace stations and educator-lead activities. Programs will run regardless of the weather, with adaptations made to accommodate outdoor conditions if necessary. Each site determines its own policy for program activities.

Registering for any Fox Valley Scout Program Collaboration clinic implies consent for collaborator use of any photographs taken during the clinic. Leaders/parents must advise the clinic leader at least one week before the clinic if there are exceptions.

To receive registration information for programs listed, please contact each provider as listed on the back page.

Bear

Bear Necessities Core Adventure/A Bear Goes Fishing Elective Adventure

October 20, 2018

10 AM—12:30 PM and 1-3:30 PM

1000 Islands Environmental Center

Learn some great outdoor adventure skills by completing two adventures. Learn some basic outdoor skills like setting up tents and knot tying. Then focus on fishing. Find out the rules, learn about the equipment, then go fishing. All fishing equipment is provided and all requirements for both electives will be completed.

Fur, Feathers, and Ferns Core Adventure

November 10, 2018

1-3 PM

Heckrodt Wetland Reserve

Let's learn about the animals and plants that are all around us. Do you know something that is recently extinct? How about endangered? Leaders will lead scouts on a 1 mile marked hike through the wetland during this program.

Beat of the Drum Elective Adventure

November 18, 2018

5:30-7:30 PM

Weis Earth Science Museum

Our area is rich in Native American heritage. In this hands-on clinic, you'll learn about this culture and make some traditional crafts. Come ready to get messy! Lots of hands on experiments that are gooey, oozy, splashy and a little explosive. You won't realize you are learning scientific principles while having fun!

Marble Madness Elective Adventure plus partial Paws for Action Core Adventure

January 26, 2019

1-3 PM

History Museum at the Castle

Let's get rolling and learn all about marbles. Learn and play a game and much more. Also learn about famous Americans while you visit the historical museum.

Fur, Feathers, and Ferns Core Adventure

March 2, 2019

1-3 PM

Gordon Bubolz Nature Preserve

Let's learn about the animals and plants that are all around us. Do you know something that is recently extinct? How about endangered? Program will include 1 mile naturalist-led hike through the Preserve during this program.
