A note about siblings: Siblings age 5 and up are welcome to attend scout clinics with scout groups. Siblings must be registered and \$8/sibling paid in advance. On-site registration cannot be accommodated. Clinics are not designed for children under 4 years of age, and they should not attend.

A note about parents: HWR's clinic space is limited and often very crowded due to the number of parents attending with scouts. Due to complaints from leaders about the crowded space, we have reduced the number of scouts accepted at each clinic to accommodate parents. Parents attending should expect to work with the attending scouts. Limiting non-leader parent attendance in the future may be necessary to permit more scouts to attend clinics. According to BSA requirements, Tiger parents must attend with their scout and registration limits at HWR have always been set to accommodate them.
